Thanks Jeaneanne!

Question on the timing of the Tribal letters – if you could give a call that would be great. Thanks!

**Subject:** Deliberative - Action Requested - Draft letter to ACHP and draft RTC for 106 consultation

Deliberative

All,

Attached for your review is a draft letter to the ACHP to close out consultation and document our compliance with Section 106 of the NHPA. You will note this letter is crafted to follow execution of the PA.

In addition I am attaching the draft response to comments for the NHPA 106 consulting parties. This document is different from our RTC for the assumption process in that we are actually responding to each comment (no roll up of comments) from each of the consulting parties. The comments are in black text and our response is shown in red text.

We are still developing the actual letter for each of the consulting parties other than the ACHP (5 Tribes, the FL SHPO and FDEP) to close out consultation. We will use a template, which will be short and modeled on the ACHP letter. I do not anticipate sending the template forward over the weekend, but sometime on Monday. These letters will be the vehicle we use to convey the RTC to each consulting party.

With this submission, I have forwarded all documents that we currently have ready for review.

Once we receive your comments, we will begin to finalize the documents.

Thanks  
Jeaneanne
